ABOUT

Motivated and detail-oriented recent graduate with hands-on experience in designing user-centric, accessible, and responsive digital solutions. Proficient in UX and Front-end technologies. Strong problem-solving and collaboration skills within cross-functional teams. Always eager to learn new skills and contribute effectively. Holding an active security clearance.

EXPERIENCE

UX/UI Designer

VisionaryAI | Jan 2025 - Present

- Designing responsive websites using Figma, creating user-friendly, visually appealing interfaces.
- Collaborating with stakeholders to translate their vision into functional design solutions. Working with developers to ensure accuracy of design elements.
- Conducting usability testing to refine designs and enhance user engagement.

Web Designer

Koolbaar | Feb 2023 - Apr 2024

- Designed wireframes, mockups, and prototypes using Adobe XD and developed an e-commerce website using HTML/CSS, and JavaScript.
- Increased client satisfaction score by 15% by enhancing UI through user feedback and iterative design.
- Improved user engagement by 25% through redesigning the company's main web application interface.

UX/UI Designer

Jitto | Apr 2023 - Aug 2023

- Created wireframes, mockups, and prototypes using Figma, ensuring a seamless user experience and visual consistency across various platforms and devices.
- Developed and maintained design systems, libraries, and guidelines within Figma to facilitate efficient and consistent design workflows.
- Conducted user research and usability testing to gather insights to improve the design process.

Web Designer

Karbord Computer | Jan 2021 - Dec 2021

- Designed interactive user interfaces for the internal website and mobile app using **Adobe XD**, increasing user engagement by 25%.
- Translated design mockups into functional components using **JavaScript**.
