I'm Sam, an Interactive Media designer in Ottawa.

I graduated from Azad University in Iran with a degree in Computer Engineering and I'm pursuing a diploma in IMD at Algonquin College, Ottawa.

I moved to Canada alone as an International student and I have the ability to quickly adjust to new challenges. I'm a quick learner and I also embrace all cultures and try to bring it to the designs I create. I am a movie buff and there's nothing like relaxing to a good comedy with good food.
