Objective

Motivated Junior Front-End Developer with a solid foundation in accessibility standards and user-centered design concepts. Adept at leveraging cutting-edge technologies to enhance user experiences. Strong communication, problem-solving, and collaboration skills within multidisciplinary teams. Always eager to learn new skills and contribute effectively.

Professional Experience

Junior Web Developer, Koolbaar — Feb 2023 – Apr 2024

Montreal, QC

• Designed and developed e-commerce web applications using HTML, CSS, and JavaScript.

• Collaborated on web solutions; conducted testing and debugging, reducing bug reports by 20%.

• Documented technical specs and processes; stayed current with industry trends and new technologies, resulting in a 15% improvement in team efficiency.

UX/UI Designer (Co-op), Jitto — Apr 2023 – Aug 2023

Ottawa, ON

• Drafted logos, icons, wireframes, and infographics using Figma, enhancing visual communication for over 10 client projects.

• Enhanced pages with Adobe XD for better user experiences and boosted functionality via user testing, leading to a 30% increase in user satisfaction scores.

• Established WordPress pages, ensuring design accuracy and reducing development time by 20%.

Web Designer, Yekta Rose — Mar 2019 – Dec 2020

Remote, IR

• Implemented WordPress websites, generated wireframes/mockups, and optimized landing pages, resulting in a 30% increase in conversion rates.

• Conducted UI/UX testing, addressed WordPress support tickets, and optimized graphics for branding, improving client retention by 25%.

• Applied SEO techniques, contributing to a 30% improvement in visibility and a 25% growth in traffic.

Junior Web Developer, Karbord Computer — Jan 2021 – Jan 2023

Remote, IR

• Enhanced mobile app components using JavaScript, reducing load times by 20%.

• Translated design mockups into functional components; contributed to code design and automated testing, which decreased development cycles by 15%.

• Built new software features and small app components; utilized Git for version control, achieving a 98% version control accuracy.

Education

Diploma of Interactive Media Design — Jan 2022 – Aug 2023

Algonquin College, Ottawa, CA

CGPA: 3.9/4, Dean's Honor List

Bachelor of Computer Science, IT (Co-op) — Sep 2016 – Aug 2020

Azad University of Technology, Mashhad, IR

CGPA: 3.7/4, Best Student of 2018/2019

Personal Projects

Created a personal portfolio website to showcase my web development skills and projects. The site features a responsive design, smooth navigation, and interactive elements. Link
